“ It's been 6 weeks and 1 day since you left this world Grandpa, and I still think about you everyday. You came to me in a dream and I will forever cherish that, I felt more at peace when I saw you smile and laugh at me, it all felt so real.. God has you in his Magical Kingdom and you are home, not the home we all wanted you to come too, but the home you belonged to before you came to this earth. I will always love you and thank God for putting you in my life to be my Grandfather. It's so hard, harder than I thought it would be.. and I regret not spending more time with you like I should have. But I knew you loved me and you knew I loved you so much. I mourn for you but I know your okay.. It was an honor to be your granddaughter, you were such a great man and a loving husband to grandma and your whole family no matter what, and I love you for that, and I always will. You will forever be apart of me, I love you so much.. Take care of my sweet Angel baby..

Rest in peace, Charles Edward Summers 11/15/1944 - 07/21/2018

“ Pop and me. I used to say I was his favorite and he always smiled and laughed when I did. He was a honest hard working man who only loved one woman (other than us kids) . Mamaw was his whole life !!!! It's hard to find a man like him!!! Always there for us kids and so patient and kind. He would sneak and hug us when we would get in trouble. I thought he would love forever . This still hasn't truly hit me. But when I go home and he don't answer the door saying what (in his playful Voice) it's gone happen. And I would always tell him Mamaw is gone say where is your key . And she would and me and him would smile and laugh and Those little moments I wait for.
He will forever love in my heart as the most loving man ever. I, Thank him for everything he did for me when he didn't have to. My Pop Love your favorite Bertie

“ My sweet sweet Grandpa, you lit up the room, and you were such a hard working man. I'll never forget the way you used to try and scare me when you would snort at me when I thought you were asleep, you always in your music room playing music, your notorious tea cups and the way you would swish it around in your mouth. You would take your dentures out just to make us laugh, you were such a great man and I'm so glad God put you in my life and made you my Grandfather. Watching you take your last breath hurt me more than ever but atlas I know you aren't in pain anymore and your with our Heavenly Father. You were so good to all of us and to many more, I'll always remember our memories and I can't wait to see you again one day. I love you so very much and I will never forget you and that sweet face and smile of yours.
