“ With a sad heart, I have been asked to let everyone know that due to the family being exposed to Covid, they have decided to go with the recommendation from the CDC guidelines and postpone Sonny's Celebration of life until a later date. When Neale Garmon lets me know of the new dates and times, we will let everyone know. Thank you again for your continued thoughts and prayers for Sonny's family and friends.

Sonny was a joy to be around. He loved life and lived it to the fullest. He had a heart of gold and always wanted the people he was around to be happy and live as he did. Because of alot of misunderstanding I want get to come celebrate you going home. I was his Aunt Ann and we shared lots of memories thru the years.i love him dearly and a empty place in my heart.
