“ Ed was a great help to Bob and I during the time he worked for us in our MHP. He always did much more than we asked him to do. Our residents enjoyed his company and he was always willing to help them with things that were not required of him while working under our contact. He was always the gentleman and everyone enjoyed his humor! He will be greatly missed by us and many family and friends!

“ Mr. Isidore will be greatly missed by the staff @ Council on Aging. He will never know how much he taught us. He was a kind, witty, gentle man whom we all adored. From the second we met him, we loved him. He is greatly missed but his name will live forever here at our office.
