“ Oh sweet Mrs.Linda, my heart is broken. I did her hair for many years and always looked forward to her spunky self coming in. I never met most of her family but I can tell you their names and I can also tell you she loves y'all with all of her heart. She will truly be missed, my chair will never be the same. Praying for peace and comfort for the family during this difficult time.

“ I loved seeing her and Trouble (Dennis) walk through the door at Papa Rocco's. She always had a great big hug and a beautiful smile for me. Her and I had MANY conversations about what was going on in my crazy life and she never gave me a piece of bad advise.. I know her and Ms. Pat were reunited and they are singing and dancing up a storm. She will never be forgotten by me or anyone else who was blessed to know her. She will be missed so very much. Thank you Linda for sharing your life with us.. We were all made much better for it. Rest well sweet lady... I will rejoice when I get to see that beautiful smile and have that sweet hug again...Much love to the family. You are all in my prayers.

“ I was only with Linda a few times-the most recent being Christmas. What a sweet, sweet spirit. Reading about her, I know that she is leaving behind a legacy of strength, compassion, the ability to encourage and empower others and most important showing others how to trust and walk with the Lord. I see these wonderful qualities in Amber. I know she is missed.
