“ Adam was one of my all time favorite students. I know teachers aren't supposed to have favorites, but I couldn't help but love him as a middle schooler! I remember him saying my name, and I remember him earning enough stickers for behaving to get a ride in my truck. I also remember meeting him at the barber shop for a haircut; no one could believe Adam was sitting still without crying while allowing his hair to be cut and neck shaved! Moving back to Georgia and away from Adam was very difficult for me! I will always cherish my memories of him. He taught me how to be a better teacher! Our loss is heaven's gain. Tonya Garrett Crowe
