“ *I was sitting in my senior year class 1985,barely 17. I got called to the office. I had a phone call from my mother,she said, Honey you might want to sit down. I did, She said Im pregnant! I fell over with tears of joy! I had prayed for a baby brother since I was a small child. We were 17 years and 18 months apart. People thought he was my child and my parents were lying,covering up my shame of getting knocked up out of wedlock! (Southern thang)! LOL! But no way, Freddie was Punkin and Jan Smitherman's (From Creola Al.) kid for sure! My baby Brother Freddie, was a joy, a blessing and a gift from God . I miss you Freddie! I will see you again, have fun with Jesus,Mama and Daddy and others. I love you Bubba*

“ Alfred had a great love of music. Many times he could be found at a local karaoke place singing his heart out. One time I remember him inviting me to come hear him sing at karaoke night at a Mexican restaurant in Tillman's Corner. He sang with so much passion. He played his guitar and belted out every song. Playing and singing were like medicine to him. Music was so much apart of who he was, he even had his two oldest daughters sing "Frozen" that night. It was a fun and entertaining time.
