“ I have a lifetime of memories of my brother in-law. But this is the one that I will share;  
When I lived in New York, I flew in to Pensacola, for a visit with Pearl and Buddy. My return trip back to NY was by a greyhound bus. I had never been on a bus before. Buddy took me to the bus station in Pensacola. And when he carried my suitcase in to the bus station and took a look around at all the shady people, he said, "There ain't NO WAY that I'm leaving you here!" He said he would bring me back to his house and he'd buy me a plane ticket. And he did just that! Buddy was more than a brother in-law. He was my friend. He would give advise if I asked for it. If I needed help with anything, he never hesitated. I will definitely miss him, and his 'good morning' texts. I love you, Brother in-law. Rest in Peace.

“ *Allen was my big brother. He will be missed by me. He was very concerned for me when I had covid with pneumonia. He called about my condition every day. I'm so glad he had a good testimony. He said God had been with and loved him. My hope is to see you one day in heaven. I love you*

“ My Uncle Buddy was crazy and funny he loved all his nieces and nephews. He would help any one that need help. I remember the day he came with me Tennessee to bring items to our new home and we did a 360 getting on the Interstate and I scared the mess out of myself but only my Uncle Buddy was laughing and eating his apple pie

“ *My daddy! The greatest man I've ever known. We text, called or saw each other every single day. If I'd only known that Jan. 5, 2021 would be the last time I spoke to him...I'm lost without him. My heart hurts! He mourned my mom since she passed 22 months ago. They are together again.*

*Thank you for choosing to be my daddy. There is no other like you. I love you so much and I miss you. Until we meet again, hug mom for me.*

*Love your little girl,
