“ I used to work with Bess at Olds Filreration in Daphne years ago. She was hard working, intelligent, and a very caring person. I was her daughter-in-law and she loved her two sons and grandkids more than anything. She enjoyed playing bingo and was one of the best cooks I've ever known. She made the best gumbo, jambalaya, and shrimp salad I've ever had. My sympathy to the family. Will miss you and Rest In Peace. With love, Debra Pennington
