“ Oh dear...don't know even where to begin! Bettye has been such a delight in our lives for the past 15-20 years (for me), and since Mike was a young boy. She has shown such great kindness to us, in so many ways over the years. She and your dad sent us a lovely gift when we got married, and we'd never even met. From the moment we did meet, I knew she was a gentle soul, with a wickedly great sense of humor! 😊 She kept us laughing, and kept our belly's full with ice cream treats. She even called us with concerns about various happenings regarding our property next door. We have so longed to be her neighbor, and are just heartbroken that will never come to pass. Mike and I are so grateful for the time we were able to spend with her since moving here, just that short year and a 1/2 ago. Just so sad our time with her was cut so short! Thank you for sharing her with us, and accommodating our opportunities to say goodbye to her. We loved Bettye dearly, and we share very deeply in your sorrow. There was surely a mighty party in heaven when she arrived. 😭🙏

“ Although we only met Ms. Bettye a few times, we shall always remember the spry, vibrant lady she was. Youthful and active well into her later years ... an inspiration to us all. May she continue through eternity chipper and loving, bringing joy and laughter to the angels. My love and hugs to the family and prayers for their strength in the upcoming days.

With sincere condolences,
Michelle & Johnny Hunt
