

Mr. Billy W. Wright

January 25, 1937 - November 16, 2025

On November 15th Billy W Wright departed this world.

He went on with no big fuss.

No big profound medical intervention.

The Lord was allowed to work in all of his marvelous glory and take him home to his final resting place.

We were given a great gift many are denied.

We were able to be with him at home and love on him in his final days.

He no longer has to carry any burdens, heartache, lost love or regrets.

"To be absent from the body is to present with the Lord."

He spent many years as a Beekeeper. He had a profound love and understanding for Honeybees. His gentleness and patience seem to connect with them in ways few will ever understand. He in once again reunited with his beloved wife that he lost year and 3 weeks ago.

He is preceded in death by his mother and father, Mr. and Mrs. Emmit O'Neal Wright, his brothers Tillman Wright and Jr. Wright, one granddaughter Abby Wright, his daughter Rhonda Brown, his son Michael Wayne Wright, and his wife Helen "Susie" Wright.

He leaves behind many children, grandchildren and great grandchildren.

He helped nurture and raise so many. It would be an injustice to try to name them all.

He will be laid to rest next to his lovely wife of 49 years.
