“ *Today has been really hard and I miss Caleb so much. I think it is important for everyone to remember how loving he was. He was always there for me and was always the one to remind the people he love that they were important and needed. I miss you. I wish there was a number I could call, or a place I could go to reach you. I promise even if few knew the real you, I will always remember you for who you truly were. An angel.*

“ I didn't know Caleb well but I do have a great memory of him! I remember him visiting my home a couple of years ago and how sweet and polite he was! He stayed on my mind a lot after that! So very sorry for the family's loss! I will be praying for your comfort in this time of need! RIP young sweet Caleb!!! Myrl, Autumn, and Inga, prayers and love for y'all.
