

Mrs Carolyn Mae Seibert Bennett

October 19, 1946 - April 5, 2023

We mournfully announce the death of Carolyn Mae Seibert Bennett, 76, of Gulf Shores, AL, in the early morning of Wednesday, April 5, 2023, after a long-fought battle with Parkinson's disease. Known affectionately throughout her community for her talent on the piano and her time spent teaching at Foley High School, Carolyn is lovingly remembered and survived by her family and friends.

Carolyn Mae Seibert Bennett was born October 19, 1946, to Hugo "Wiss" Seibert and Myrtle Connell Seibert in Birmingham, Jefferson County, AL. Growing up, she attended Woodlawn High School and studied music at Florida State University, from where she graduated in 1968.

Carolyn married Hal Duward Bennett on June 5, 1965, and the couple had two children, Bryan and Susan Bennett. Carolyn also made a wonderful grandmother to her grandchildren, Maren (22) and Hugo (10), children of Bryan and Susan, respectively. She is also survived by her cousin and one of her closest friends, Becky Younce, and Becky's brother, Eric F. Scheinert.

The family lived in New Orleans, LA until 1995, when Carolyn and her family moved to Gulf Shores, AL, where she taught at Foley High School for over 20 years, sharing her talent and wisdom with thousands of music students over the years.

Carolyn's biggest passion in life, besides her family and faith, was music. An avid piano player, she spent countless hours perfecting her ability and sharing her talent far and wide. Many knew Carolyn's beautiful singing voice and piano playing from communities like Swift Presbyterian and First Baptist Church. She was also a notable member of the Coastal Chorale Choir.

Beyond her love for Jesus, her family, and Elvis Presley, Carolyn Mae Bennett will be remembered dearly for her generous spirit, infectious laugh, and million-dollar smile. As a wife, grandmother, and woman of God, Carolyn extended love, laughter, and graciousness to all she encountered. In life and beyond, Carolyn's lively spirit has and will continue to affect those dear to her for years to come.
