“ My husband, Robert or as he called him "Bob" and Crutch as we all called him worked together doing odd jobs sometimes a few years ago, which they both took it hard not being able to work anymore but life went on for the both of them.

Everytime I would see Crutch at the local store here in Seminole he would ask about Bob, how he was doing, health wise since his health was not so good either, an before I would leave he ALWAYS said "call me if y'all need anything and be sure to tell Bob I was asking about him". When I got home I always told him Crutch was asking about him, then he would ask me how he was also doing. We knew Crutch since our son was born 22 yrs ago an he never forgot when I would see him at least once a week to ask how old he was and how he couldn't believe he was "all grown up" as he put it, and how he was doing. Made you feel good that he wanted to know how your family was doing.

He surely will be missed by us as well as by many I am sure.  
Sincerely Your Friends, Robert Sr, Theresa, & Daniel Thrower  
Prayers to the family for your loss.
