

Christopher Alexander Pursley

May 30, 1993 - January 31, 2024

Christopher Alexander Pursley, age 30, passed away on January 31, 2024.

Chris was a native of Loxley and has been residing in Cantonment, FL for several years. He was born on May 30, 1993, to Patti Schweiger Pursley and the late Paul Pursley. He was a graduate of Central Christian School and the University of West Florida.

Chris is preceded in death by his grandfather, Ronnie Pursley and Father Paul Pursley, as well as his Great-grandparents, Great-aunts and Great-uncles. He is survived by his mother Patti Schweiger Pursley, sisters Taylor and Brittany Pursley, niece Izabella Pursley, Grandparents David and Sue Schweiger Rebecca Pursley, Franklin and Nelda Ard. He is also survived by numerous aunts, uncles, cousins and friends, and his life partner Kristyn Poston and her family who took him in and loved him as one of their own.

Chris had a huge personality and was always making people laugh. He never met a stranger, even as a young child he would talk to anyone. He started talking at an early age and never stopped. He loved trying new things and loved an adventure. He had discovered a love for cooking and was always wanting to try new recipes. He loved to grill out by

the pool. He also loved the Crimson Tide-Roll Tide!

At 30 years old, he had already seen and done more than most of us could hope for. From his numerous opportunities to photograph bands at the Handlebar, to touring all over with GlowRage, to his many adventures, cruises, and Disney trips with his partner in life, love and adventure, Kristyn. He lived a full life in such a short time on this Earth.

Christopher Alexander you will be greatly missed and just know we are not okay but know that we will be one day. Give them heck and make them laugh up there.

A graveside service will be held at Pine Rest Memorial Park, Hwy 98 in Foley at a time to be determined.

In honor of Chris and his love for Alabama football, we would love for everyone to wear something representing the University of Alabama football or the school colors.

“ Our deepest condolences to your family. We are Kristyn’s grandparents and had the joy of spending time with Chris and the family for holidays and special occasions. I immediately felt at ease with Chris. He could converse with any age and showed an interest in other’s lives. Kristyn seemed very happy and Chris was the reason. He was one young man we will never forget.

“ I got the pleasure of meeting Chris at Buffalo Wild Wings as my daughter, Kristyn, and I were having dinner on the patio. He and I took a shot together. We three laughed and talked and got to know a little about each of us. Afterwards, I told Kristyn that he was so nice, friendly and cute too! You should date him. I like him. Chris had a personality that would put you at ease. I was happy that they did become a couple more than 5 years ago. Chris lived with us for several years and we got to see him every day. He was part of our family, like a son, future son-in-law, and brother to our boys. He was so good with our disabled son and would dance and talk with Kyle anytime. I enjoyed seeing what dinner he was going to whip up from scratch from a new recipe. His cooking was amazing and we were lucky to have shared some of it with him and Kristyn. Chris had made a huge impression on our family...he was part of our family. Chris completed Kristyn and we couldn't be happier for the both of them. It breaks all of our hearts that he had to leave us way, way too soon. It wasn't supposed to go like this. You have changed us Chris and not sure of the path forward without you. You will forever be in our hearts and we will reminisce through our wonderful memories and the pictures that brings a smile to our face.
We love you Christopher Alexander!
Love, Kerry, Robyn, Kristyn, Kyle, Kolyn, and Kameron 🍀🍀🍀

Such a nice young man. I met Chris when the poston family was visiting us here at the Valencia Condo in Destin. He always had a big smile on his face and willing to lend a hand. I can't even begin to fathom the loss to Chris' family in Loxley and Chris' "adopted" family. Please know I'm praying for you all in what can only be one of the most difficult time in your lives. Kristyn big hugs to you, you and Chris cracked me up all the time. Again my thoughts and prayers are with you all. Love y'all Vicki. 🙏🌸🌸🌸🌸
