“ *I had the pleasure of working with Daniel for over 2 years and he was an incredible person who never had a mean thing to say. He often shared memories of growing up in TX and how he cherished time with his family. He was truly loved and appreciated by his “work family”. His friendship, positive attitude and smile will be truly missed.*

“ Daniel was such a special person. It was truly my pleasure of working with him. Daniel and I shared a lot of memories about family and friends. Him and I also shared things about sports and everyday things. I feel as though Daniel touched the lives of a lot of people and I know he did mine. He will truly be missed.

“ Working with Daniel was such a pleasure. He shared many memories, he loved his children, he loved his family and looked forward to his Mother's visits. He also loved his friends. Always ready to help & had nothing bad to say.
