“ I read the Decatur Tribune today and sadly learned of Dave's passing. We worked together at Citizens National Bank back in the early 80's, we were good friends at the time. Most fondest memories were the Ski trips that the Bank employees took to Galena a few times, and the fun times we had back then. Our condolences to Dave's entire family. Greg and Donita Spain.

“ I remember one year uncle Dave came down during the winter when I was a kid. We had just gotten a fresh snow and Me, mark, Dad, and uncle Dave all went for a walk in the woods. The creek was frozen over and Dad told uncle Dave not to walk out on it. He did anyway and slipped on the ice. Before we knew it the dogs were all over him and we all had a good laugh about it. Uncle David loved to have a good time and He will be greatly missed.
