“ *He will always be remembered by my family as joyful, positive, always had a project on the go, the sky was the limit. He could build almost anything and took pride in what he undertook. He was the life of the party and we all enjoyed his singing and guitar playing. My thoughts and prayers go out to you Aunt Marion and Audie in this difficult time. He was a great guy with a great attitude and he will be missed by many. From our family to yours we send you hugs and hope the road ahead is not to challenging.*
