“ Rest in peace my dear sweet friend. I have been in prayer for your soul for days and now, I will continue to make another part of my journey without YOU.. We had such fun and I loved to listen to your thoughts and your ideas on the library and writing for children.. Our meeting that we had planned for today in my home did not take place as God decided . it was time for you to come home to his World in Heaven as he wanted you to read to the children and walk among the beauty that he had waiting for you... This Beach and this little village here on this Island will never be the same , Dominique.. but,, thank you for the love and the kindness you gave to all that ever knew you.. I am not sure if I ever told you that I loved your name and you are the only woman I have ever known in my short life of 75 years that I knew by your name.. What an Honor for me, personally !! YOUR voice was like the soft wind blowing on the beach and in the garden of wild flowers and everything natural.. Loved it when you smiled and laughed and even cried.. I never was not greeted by with you without a HUG and when I left you.. I got a bigger hug.. so, today.. I send my LOVE ,, MY HUGS and my tears ,, I reserve for another day.. God will Bless your family as YOU would want HIM to and even they will survive as only HUMANS do.. ( I also knew another side of YOU that makes me PROUD.. you were a little bit country.. a lot of Class and even bull headed and feisty.. I would think to myself.. THAT GIRL IS ME ! .. LOL. Like I used to be !!! when I was her age... perhaps ,, some of the suggestions I made to you did rub off. hmmm. ) YOU made me feel like I was worth knowing , too. Will always MISS you and will always LOVE , YOU. !!! Til we meet again.. one day on the other side.. hope to soar with those Angels and those EAGLES like you have done these Past few days.. Thumbs UP. and WINGS LEVEL.. as I always said to YOU.. YOU got it BABY GIRL!!.. give it all you got and DO NOT LOOK BACK.. It is where you are going that will make it HAPPEN. as ever ,, JILL Parker Snow. YOU were YOUR own WOMAN and I say.. SHALOM !!!
