“ We are very sadden to here of Donnie's passing. He was a kind and caring individual. He is no longer in pain and is now your guardian angel.

We send our deepest sympathy to her families.
We offer you up in comforting prayer.

Words seem inadequate to express the sorrow felt by the loss of "Donnie". Our hearts are with you and yours.

"May tender memories soften your grief,
May fond recollection bring you relief,
And may you find comfort and peace in the thought
Of the joy that knowing your loved one brought...
For time and space can never divide
Or keep your loved one from your side.
When memory paints in colors true,
the happy hours that belonged to you."
--Helen Steiner Rice

"Come to me, all who are weary and burdened, and I will give you rest." Matthew 11:28
