“ Randy I miss you so much! I was listening through some of my old saved messages and there were several from you. One of them had me sobbing, because you were telling me you know i'm going through a lot and how strong you think I am. I can't wait to figure out how to get it off my phone so I can share it on Facebook. I miss hearing you voice, but I am so grateful I saved those messages from you. I love you bubs!

“ *Randy was and will always be my BFF when we met we hit it off and became long distant friends and then met in real life. We got distant but the best friend feeling never left me. My kids love him as uncle Randy and that's what he will always be. You either understood him and loved him or didn't. He was a one of a kind I will never have a friendship like his ever again as long as I live. There will never be a day I will let your memory die. I love you BFF*

“ *Do not go gentle into that good night,  
Old age should burn and rave at close of day;  
Rage, rage against the dying of the light.*

*Though wise men at their end know dark is right,  
Because their words had forked no lightning they  
Do not go gentle into that good night.*

*Good men, the last wave by, crying how bright  
Their frail deeds might have danced in a green bay,  
Rage, rage against the dying of the light.*

*Wild men who caught and sang the sun in flight,  
And learn, too late, they grieved it on its way,  
Do not go gentle into that good night.*

*Grave men, near death, who see with blinding sight  
Blind eyes could blaze like meteors and be gay,  
Rage, rage against the dying of the light.*

*And you, my father, there on that sad height,  
Curse, bless, me now with your fierce tears, I pray.  
Do not go gentle into that good night.  
Rage, rage against the dying of the light.*

*Dylan Thomas*

“ I only met him once in 2014 after travelling all the way from the UK, although I have known him for some time virtually and found just like his virtual self, he was the light off everybody's life, the light may have gone out but the happy memories will last a life time. Will see you late my brother from across the pond. Mike

“ Brad & I have been listening to this Luke Bryan's song constantly since we heard the news! It still hasn't sunk in!!! We still don't want to believe it! How could our beautiful "adopted" son leave this world before us?? You were always so full of life!! It just doesn't feel real!!

We love you Randy, forever & a day, and always will!!! This is for you sweetheart!!!

*Luke Bryan - Drink a Beer*

*When I got the news today  
I didn't know what to say.  
So I just hung up the phone.  
I took a walk to clear my head,  
This is where the walking lead  
Can't believe you're really gone  
Don't feel like going home*

*So I'm gonna sit right here  
On the edge of this pier  
Watch the sunset disappear  
And drink a beer*

*Funny how the good ones go  
Too soon, but the good lord knows  
The reasons why I guess  
Sometimes the greater plan is kinda hard to understand  
Right now it don't make sense  
I can't make it all make sense*

*So I'm gonna sit right here  
On the edge of this pier*

*Watch the sunset disappear  
And drink a beer*

*So long my friend, until we meet again  
I'll remember you  
And all the times we used to  
Sit right here on the edge of this pier  
Watch the sunset disappear  
And drink a beer  
Drink a beer, drink a beer.*

*Raising a beer for you right now love! Cheers!*

“ Words cannot describe how much we love you and how much you will be missed. We call you our son, because that is how much you mean to us. You are a part of our family and always will be. We are going to miss hearing you say "Ma & Pa Pare" on the phone or on Skype. Life just isn't going to be the same without you!!

We shared so many great times in Tennessee! All that laughter! We will forever be grateful for the memories!!

We don't always understand God's plan, but he must of had one for you to take you so young and so suddenly. Honestly, it just doesn't feel real!!

Rest in Peace, Douglas Randall Porter (DJ Mountain King)

Love always, Ma & Pa Pare (Brae & Brad)

“ Randy I will never forget when you were staying with us and I was just starting to date, Terry Grubbs of course. You came out to his car and ask..... and I quote "Do you enough money to take my cousin out" I was embarrassed no doubt. Terry said I've got about \$100. That was alot of money back then and you "Randy" said ok I guess that's enough. You were just a little boy back then but even then you looked out for your family. R.I.P. My sweet cousin. I love you and you'll be missed by many. ❤️
