He taught Business classes at Jefferson College in Barnhart, MO and then was offered a job at Black Hawk College in Kewanee, IL. While on vacation to FL he and his family came across the small town of Foley, AL. Since he had been teaching for so long he wanted to have a change not only in scenery but profession. He decided to open the first

Jackson Hewitt Tax Service in Foley, AL. That was in 1993. It has been 24 years since then, within those years he received his Enrolled Agent status with IRS, grew the business from 1 office to 23 offices, and managed to make it a true family business. Family is the most important thing to him, so being able to work side by side, made him the happiest man in the world.

“ *We met Edgar when he started doing our taxes about 5 years ago. As snowbirds from Illinois, we always had a lot to chat about when we met with him. He was always warm and friendly and did an excellent job on our taxes. We just learned of his passing now when we called to set up our 2018 appointment with him. Our condolences to his family. “ *It has been my pleasure to work alongside Ed for the last 4 years supporting him as a Jackson Hewitt Tax Service Franchisee. I always enjoyed our conversations on the business and his out of the box thinking on how to make the overall experience best in class. He was definitely one of my standout franchisees that truly cared about his business, employees, and clients.*

I will definitely miss his humor which was in a class all by itself.

On behalf of the Jackson Hewitt Tax Service system and myself we want to express our sincere condolences to the family in this difficult time.

*Sincerely
Sonia Millhouse*
