“ Eddie Bornholt was a legend he had many accomplishments and awards in his youth; a real genius. His greatest accomplishments to him I believe were his grandchildren and grea-grandchildren. Eddie was a kind and caring individual and had the biggest heart! I have too many memories to share. I admired him and I know he is no longer in pain and is up in heaven with his parents Roy and Cecilia Bornholt talking about old times. We send our sincere condolences to all the families. He will be sadly missed but will always be a guardian Angel.
