“ *Worked with Emily for many years at South Baldwin Hospital and also with the Baldwin County School system. She was a dear friend and I will miss her . May she rest in peace and have no more pain. My prayers go out to the family \at this time as I know it will be hard for you. I have lost two (husband and son) in the past year. Always keep the memories and it will help you through this period of grief. (Florence Harris)*
