“ I was so sorry to hear of the passing of Felice. She was such an important part of my childhood. I will always remember her with great fondness. So many hours spent in the back seat of the red Mercedes riding across the bridge.

Sending my condolences to the family including Bush, Kent, Laura and of course Holly, as well as their spouses and children. Felice's legacy will live on in hundreds if not thousands of children that she taught over so many years. May her memory be a blessing and may the gentleness and kindness that she stood for be carried on by those whose lives she touched.
