“ Words cannot express the sadness and loss. Aunt Frances was so entertaining, just delightful, and had the greatest sense of humor. She was loved by all that had the good fortune to know her.

Heaven now has The Cool Aunt!

“ My Dearest Aunt Frances,
My heart is just broken , you were just a great person all together. You put so much time in with me as a child and a teenager, and then as an adult. The memories we made will never go away or leave my mind. You were always more than just a Aunt, I will be okay eventually, all the family will but it will take time knowing you will not be here with us anymore. I love you my sweet, and will always keep you close to my heart forever.

*Love always,
Your Jennifer💜*
