“ *It was my pleasure to have worked with Gail in the Social Security Office in Florence Ky. She was a good boss and a caring person who helped to make the workplace both efficient but also a place for friendship and cooperation. I do not know her favorite charity. But I will send a donation to St Jude's Research Hospital in Memphis as I think that would fit her caring and generous personality.*

“ I was very sad to hear of Gail's passing. She was a sweet, special person indeed. I remember when she came down from KY to take care of my mom after her knee surgery. She was so kind to sit & watch silly tv & movies with her & wait on her hand & foot. I didn't have to worry at all b/c Gail was with her. I think I even remember saying before her second surgery, "Can't Gail come down again?" Love & many prayers to the family. Please know that this world was a better place w/ Gail in it. God Bless.

There are no words to express the sadness in my heart. Gail has been my close and dear friend for nearly 50 years. She was a rock in my life, and I will miss her dearly. The world is definitely a sadder place without her in it. Much love to Miss Flora, John and Elizabeth, Sonny and Jan and everyone who loved Gail.
