“ *Where do we begin to express our sorrow and our admiration for this fine man, Gary?
What an awesome guy - gone too soon.
Gary had an aura surrounding him. One knew immediately that they were safe with him.
This had nothing to do with his height, his cool beard or his genuine hugs. It's due to his great character - Always kind and gentle, even-tempered and low key. He had a great sense of humor and really fun to be with. No doubt, that he's in Heaven.
Michelle and family, you have our heart-felt sympathy. We will pray for you all's strength during this tough time. God bless you all.
Love, Katy, Jason and the Kirksey family*

“ *Michelle and Family, you and Gary were our first "Jack" family and have always treated us like we were your own. Gary and his bear hugs and his humor will be so incredibly missed. Please take comfort in knowing that he will ALWAYS be an angel watching over you. So wish we could physically be there to comfort you. Much love and hugs to y'all, Angela & Darrin xoxo*

Michelle and Family, you and Gary was the first person to give us our first bottle of Jack and you both made us feel so welcomed into the group. Please take comfort that he is a heavenly place drinking his Jack and watching over you. Sending our thoughts and prayers and love to you and your the family.

Our deepest condolences to Michelle and the family, Gary was a fantastic friend, father, husband, and brother for me he was the brother from the other mother as we just to say all the time, I never had someone in my live before I meet him that I loved from the first second, we meet in 2003 in Nashville Tennessee in the Hard rock cafe trowing coasters to each other. I have been blessed having such a great man in my live, he will never be forgotten and will be in my heart forever.
