“ *My Nana always had the best humor. She was always authentically herself, a goofball. Also, she made the best cup of coffee around. I was always so excited to drink coffee that she made and hear her life stories, they were all so interesting. Nana will always be in my heart. She was loved by plenty and will be missed dearly.*

“ *We always told her she was a cat with nine lives. Every time she got really sick she would quickly bounce back*
