“ *Gerald McCook, my father-in-law, was a sweet and gentle man with a wonderfully playful sense of humor. In some ways he reminded me of my own father, who passed away in 1983, and it felt natural to call him Dad after John and I married in 2004. All my love to his family and friends and the many people whose lives he touched. ❤️*

“ *It was my pleasure to have Mr. McCook as my father-in-law. He had a most interesting life and passed many wonderful, manly characteristics on to his sons and shared a loving relationship with his daughter. Oh, what a gentle, godly man, he was...Godspeed.*
