“ *I will ALWAYS remember Harold....he and Billy came to my rescue more times than I can count....I loved Harolds laugh, he was always so funny to be around, one of the kindest men I've ever known in my entire life. I remember watching Billy and Nicole grow up....heck we were neighbors half my life!!!! It breaks my heart that he left earth so soon....but he's in the arms of Jesus and I guarantee he's been talking to "Jeanette"....my Mom - I can still hear him saying her name. A wonderful wonderful man of God, the best Father any child could hope to have...and a devoted husband who always put family first. God bless each of y'all whose hearts are now broken.....but y'all know Harold is where God needed him. He completed his earthly mission...now God has him on special assignments to be guarding each of you with the angels on every side. God bless y'all. Love and prayers....Kathy. 🙏🙌🕊️💕*

“ *I met Harold November 4, 1968 at a Memorial Service at Council 2736. Harold was a soft spoken gentleman and always wanted to know your opinion on a subject. Harold, like me spent many years at St Margaret'a Parish in Foley before migrating to our wonderful church home in Elberta. It has been great to see Harold and his beloved Lois on a regular basis the last few years. I can see him in Heaven with Uncle Al picking up a wrench and going to work on one of God's tractors*
