

## Mrs. Hazel Hare

July 15, 1931 - December 22, 2021

Hazel Hare, age 90 of Orange Beach, AL, passed into the loving arms of her Lord and Savior on December 22, 2021.

She was born in Thomasville, AL on July 15, 1931 to James Rosco and Zeba Seibert.

In June, 1948, she married her loving husband of 60 years, Marshall O'Neal Hare.

She worked with Civil Service at Brookley Air Force Base, a surveying company and real estate company.

Hazel loved the water, boating, fishing, and crabbing. In 1975, they moved to their dream home on the water, in Orange Beach, AL. There she was able to fish, catch crabs, and teach her grandchildren how to clean crabs. Hazel also loved to play cards and hosted regular card parties with her friends.

Hazel and her husband O'Neal, loved each other very much and their love was evident to all throughout their 60 years of marriage.

She was a long time member of First Baptist Church in Orange Beach. Hazel loved the Lord and we take comfort in knowing that she left this world looking towards heaven with a smile on her lips as the angels took her home. All those that knew and loved her will never forget her. She will always be in our hearts.

She is survived by her daughters Charlotte Hill and LeNay Deas; grandchildren Richard Hill III, Sheri Macko, and Joshua Deas; great grandchildren Morgan Hill, Austin Hill, Mychal Moerkerken, Kody Macko, and Ian Macko; and her brother, John Seibert.

The Memorial Service will be at Pine Rest Funeral Home, Foley AL, January 9, at 2pm, with visitation at 1pm.

Due to the susceptibility of some of the family to COVID, we respectfully ask for the use of masks during the visitation and interface with the family.

“ My beautiful grandmother how much I miss you but I know you are happy and no longer in pain and it gives me peace to know this. Red was always a beautiful color on you. We had so many fun times and adventures together mostly around the water. You taught me to fish, to catch and clean crabs, shoot and even taught your grandson Mychal to shoot. Which still makes me laugh. You were an amazing woman and a second mother to so many who will always remember you. I enjoyed bringing you your coffee and breakfast each morning and watching how Coasta protected you from all the people that dared to walk the street, enter your home or the crazy squirrels you hated so much. I enjoyed watching your face light up and laugh with each time you saw Coasta greet you. I will always love you more than this will ever show. I was so blessed to be your granddaughter. The water will always remind me of you. Strong, fierce, yet very calming. I am thankful to have been by your side as the angels took you home. May you rest in Jesus’s arms and Paw Paws. Until I see you again, enjoy Heaven for me too.
