Preceded in death: Husband Donald Voss, sister Mary Jean Perkins, daughter-in-law Kim Voss, and grandson Matison Marenas.

She is survived by her children Daniel Voss, Lesley (Joe) Christiansen, Lori Voss, seven grandchildren, and six great-grandchildren.

Hazel Ann Perkins married Donald James Voss on August 16, 1957. She went to nursing school and graduated with her LPN. "Haze 'N' Don" raised 3 children in Goodrich, Michigan. They moved to Gaylord, Michigan in the 1990s. From then on, they were always near the "action". As avid golfers, they were always a part of the "golf life" - living in golf communities for 30 years. They also enjoyed traveling. They were also known as snowbirds in Eufala, Alabama. They became residents of Florida for 13 years. Hazel and Don spent the last few years of their life in Foley, Alabama.

Hazel had a wonderful sense of humor. She could make anyone laugh. She made everyone feel welcome in a room. She was kind to everyone she met and wanted it known they had value.

She also had an amazing talent: Sewing! She always had a "sewing room". For many years she would sell her creations at local establishments. She also donated many dolls and blankets to area hospitals to help comfort

hospitalized children and adults with dementia. Over the years, she made various homemade gifts, including MANY dolls, baby blankets, and quilts for her family.

Her family will always cherish the many years and good times with our "Grammy".
