I wish we could be there, my heart goes out to you all. Mrs. Johnson will be missed greatly in our hearts and souls, but she's gone home to make a place for family and friends that will follow her. I choose to remember her as the happiness ever and pain free, before she got sick, she did have a sense of humor about her. May God bless you all. I can't wait to see her again with her wings shining bright. Love to you all may you have strength with God.
