“ *Condolences to this beloved family. I loved Ileeta as we were childhood friends, eating shoestring French fries made by John and Jean on the farm on Sunday afternoons! I was a bridesmaid in her wedding to Mr. Wood. We will see her again! And soon!*

*Hey Mom, it's hard to believe that you've been gone for 4 years, 1 month and 18 days. Time is just flying by. I know I can talk with you without writing it on here, but it seems like it means more to put it in writing. Just like when I was in the Navy overseas, I would write you letters and you would write me back. I still have those letters and I treasure them!! I miss you so much and so many times I want to pick up the phone and call you. You were such a good Momma and the hole that is left in all of us kids is profoundly huge. I take comfort in knowing that you are with Jesus and surrounded by his eternal love and that someday we will get to be there with you again. Until then Mom, I Love You "A bushel and a peck and a hug around the neck!" Love always, Debbie*
