“ *Dear Ms Ione. I never thought this would happen. You've been a wonderful friend to Jan & I for nearly seven years since we moved to Foley. We loved you so very much. I enjoyed all the good times we had working out in your yard for the last few years. We had many good times that I will never forget. You will forever be in our hearts. Goodbyes are always for a short time because we will meet again one day in a much better place. God bless you and your family. Robert & Jan Tyree*
