“ *Jane and I grew up together in Foley. We used to play basketball when she lived in Pine Village. We graduated from Foley together and went out separate ways for a few years. Then she was back in Foley at our church. We shared Sunday School together with Don being our teacher. We had a lot of fun at our class reunions and lunches. She was a very special lady and I am going to miss her dearly. Prayers for the family. Please take care of Hank. Love y'all, Connie and Randy Caldwell*

“ *Jane was a wonderful classmate at Foley when we were growing up. In spite of her failing health she came to our last reunion and as many of the lunches as she could. She was full of smiles and laughter when she was with us. She will be missed. Prayers for her family at this sad time.*

“ Jane was such a sweetheart. We go back many years together at Foley First Baptist. She was my daughters GA leader and Sunday school teacher in the late 70's early 80's. I will miss our messages and phone calls to each other and our hugs when we saw each other. My thoughts and prayers 🙏 for all of you during this time.
