“ I have so many memories of Janice, it is so hard to narrow it down to one. She and I were friends from 4th grade through 12 th grade! We were like “Lucy and Ethel” 😊 some standout memories were her talking me into climbing onto her pony, it running wild with me, her chasing us, the saddle turning sideways and falling on the ground as soon as she got the pony to stop! (Her laugh was infectious during that incident, but I have always been terrified of horses since! 🤔) Other standout memories are putt-putting around with her in her little red Volkswagen to cheerleading practice and too numerous to count “spend the night” shenanigans 😊 Although after high school, we went different directions, I never stopped loving her. She was my dear friend. She was the best! ❤️
