

Mr. Jaxon Blaine Wilson

April 8, 2004 - April 27, 2026

Jaxon Blaine Wilson, 22, of Elberta, passed away on April 27, 2026. Born on April 8, 2004, at Thomas Hospital, he is the son of Brett and Deidra Wilson.

Blaine was known as an outgoing and loud person; his voice and personality made up for what he could not do physically. Blaine had Duchenne Muscular Dystrophy, a condition that aggressively attacked his muscles, causing them to slowly deteriorate over time.

Blaine enjoyed Alabama Football and being able to tell you everything about the players and their histories. He loved video games, music, and understanding things. If you knew Blaine, then you probably heard “Hey Siri” about 20 times a day. He wanted to know everything there was to know, and he made sure you knew it as well.

Blaine is survived by his parents, Brett and Deidra Wilson; his younger sister, Ava Wilson; his older brother, Bailey Wilson (Samantha); his maternal grandparents, Darrell and Debbie Beech; and his paternal grandmother, Carol Wilson. He was preceded in death by his paternal grandfather, Jerry Wilson and two older brothers, Bryson and Brody Wilson.

From surgeries, traveling, doctor appointments, and medications, things in Blaine’s life were not always consistent—but he was. If there was one thing

you could always count on, it was Blaine being a constant in your life. He still showed up in the same irritable manner as the day before, and it was something we all looked forward to. Blaine, we love you with all of hearts and we will miss you forever.

“ *Blaine would ride along with the golf group from Vulcan when he was younger. I was able to play with them when they didn't have enough players. This was from 2017 when they won and gave him the trophy. We were called "Blaines gang". My husband Fred passed away later that year. "Bobo" was always a character. RIP Bobo*
