

Mr Jerald Larson

February 21, 1978 - November 3, 2022

Jerald Anthony Larson passed away unexpectedly on November 3, 2022, after 17 years of marriage to his loving wife, Meghan. Jerry was born February 21, 1978, and his beautiful daughter Kirstyn was born when he was 21. Jerry met the love of his life, Meghan, two years later, and they were married November 5, 2005. Jerry and Meghan were a beautiful duet in all the ways that really matter.

Jerry or was lovingly known by his “crew” of work friends, family, and camping companions as “Jer Ber.” Jerry was a beloved husband, father, friend, and employee. He was sweet, fun-loving, patient, and could sing beautifully with the best of them.

Jerry’s dry sense of humor and his bear hugs could make anyone’s day. Jerry’s infectious smile and kind spirit made a lasting impact on the many people who loved him. Jerry’s final heroic act was to donate his organs to over one hundred people in need.

Jerry leaves behind his beloved wife and karaoke duet partner Meghan and his beautiful daughter Kirstyn of twenty-three years, of whom he was incredibly proud. Jerry’s mother Rita Larson and Jerry’s sister Stacey Staimpel and her husband Gerald loved Jerry as sweet son, precious brother and brother-in-law and will miss him forever. Not to mention uncles, aunts, and

numerous nieces and nephews, both by blood or not.

Jerry was a wonderful person, husband, father, and friend. He was a teddy bear, always kind, patient, and hilarious with a dry sense of humor. Camping trips with Jerry were perfect when he had enough liquid courage to sing karaoke and would always change the lyrics of any song on the spot! Such musical talent Jerry had!

Anyone who was a friend of Jerry's was blessed to know him and will forever be. Jerry was one of those rare people who made a lasting impact on the lives of many. His JerBear hugs were one-of-kind, and he was always a good sport about the many Auburn jokes he received from his multitude of Alabama friends while watching the Alabama game every weekend at Fort Knox (we miss you, Pat!).

JerBear, our hearts are broken that we have lost you. Please know always, "There are some who bring a light so great to the world that even after they have gone the light remains." This is not a "goodbye" but instead a "see you later." Love ya, Jerry!
