“ 6 months has gone by and I just heard about this lovely lady passing away. My heart is heavy and I have cried so much, about how much she loved talking about her time on the farm when she was a child. About the days of her socializing and entertaining people in her home. Mrs.JoAnn loved telling me about how she was self taught to play golf. And clothes, this lady had enough outfits, she could have opened up a store from her home!

I work for Visiting Angels and Mrs.JoAnn was my very first person I cared for.

The very first day there, I ended up staying the night because Mr.Shelton had been in the ER most of that day and wanted me to stay over and keep an eye on the both of them.

I will never forget how she came out of her bedroom with a gown and robe to match(a size small I might add), for me to sleep in. I thanked her but there was no way I was getting into a lairs small and I being an XL. That's how she was, always giving!

And loved her great grand son, Zane.

She loved her family and loved her Mr.Shelton.

God Bless you all, and remember her for how much she loved each and every one of her family members and her long time friends.
