

John Baptist Dioguardi III

July 11, 1960 - February 24, 2021

With our family's deepest sorrow, we announce that John "Johnny" Baptist Dioguardi The 3rd has passed away at the young age of 60. Johnny was a beloved son, brother, family member, and friend and will be terribly missed by all who knew him.

Those who knew Johnny would immediately recognize the kindness and caring of this gentle giant and his sincere love for our heavenly father. Though limited in his ability, his love for Christ was abundant and he shared this love with all of us, and though his body is not with us any longer his love will always remain.

He will be missed and remembered fondly by his caring Step Mother Kassia Dioguardi, His four younger brothers and younger sister and their spouses, George and Angela Dioguardi, Pam and Eric Arnold, Paul and Zoe Dioguardi, Matt and Chie Dioguardi, and Chris and Teah Dioguardi. Johnny was also a loving uncle to 10 and a good nephew to his Aunt Teri and Uncle Brian and his Uncle George Bleich. Johnny did not have much in the means of material things but he gave his prayers out often and selflessly and were always well

received. He goes now to his loving Mother Helen and Father John's open arms in heaven, where he can be united with his family in heaven and finally at rest from his earthly constraints, and we all now look forwards to that faithful day that we will all again be united.
