“ *Welp. Zander's a preteen and has all of the acne to go with it. We talk about you all the time. We miss you so much! I hope you're watching over Zander and see how much he's grown. He's definitely one cool dude! We love you!*

“ *Me and Zander miss you so much. I'm always telling him memories of our childhood and friendship from our younger years. We pray to you almost every night and I hope you hear us. God do I wish you were still here. Zander is so smart like you are. He still loves to dance when he hears a good beat. Books are his passion and he's reading at a 9th grade level. You'd be so proud. We love you so much.*

“ Times like this really break me. I have so many thoughts and feelings. I didnt get to know you as long as others but i did get to have your daughter. And i gained another family. Your family. You were gone too soon. You were so smart so genuine. You were proof not all addicts are bad. Were just lost. I know youre watching us. Please keep us safe.
So much love for you.
