“ *My favorite memories are the University of Mobile plays we saw for years, she and I particularly loved the comedies and would laugh and laugh. I loved Joyce, she was so sweet and kind. I will miss her very much. She was always a joy,*

“ *I have known Joyce for many years through the medical office where I work. Our whole office was devastated to hear of Joyce's passing. She was such an absolute pleasure every time she came into our office, and we always looked forward to seeing her at her appointments. We will miss her very much.*

“ It is with great sadness I heard yesterday of Joyce’s passing My family and hers were neighbors for 30 years. Even after we moved to Florida and Joyce moved to Alabama, we kept in touch by phone calls. I will miss those phone calls. Rest in peace dear Joyce.

“ We were neighbors of Joyce in Oakhurst for 22 years and we were like family and still are. Our children grew up together and we both relocated to other states to be near our adult children — but we always kept in touch. It is with great sadness, that we bid farewell to our dear friend. May she rest in peace. The Peter Brain Family
