Judith Farley Glass, age 77 of Gulf Shores Alabama passed away on January 16, 2023.

Affectionately known as Yaya by those who loved her, Judy lived a full happy life surrounded by those that she loved.

She is survived by her daughter Susan Glass Nelson, son-in-law Todd, and her loving granddaughters Cali and Eliza. She is also survived by brother-in-law Fred Glass and his wife Carol and nephews Ryan and Glenn and their families.

Judy attended Tuscaloosa High School and went on to become an Art major at the University of Alabama. While in college she began volunteering at Bryce Hospital. She became passionate about mental health and helping others. She was the Director of Volunteer Services at Searcy Hospital in Mt. Judy dedicated her life to being an amazing wife, mother, and grandmother. She always knew the right thing to say to make others feel special. She was our biggest cheerleader and supporter. Judy never passed up the opportunity to spread joy and love to those she came in contact with.

A celebration of life will take place at a future date. Instead of flowers, Yaya would want you to express your love for others by helping someone you know

or see that is in need.
