“ Many great memories Al and I have of spending time with Judy and Major. We were their next door neighbor in Foley where my husband and I lived in the winter months. We had great times having dinners out with them, picking pecans and Judy and I spending hours on her sun porch picking out the nuts from the shells. Judy and I also loved going shopping together and finding Estate sales to find treasures. We live in Canada and the pandemic forced us to leave Foley in April 2020 and that was my last time I saw Judy which broke my heart. We will cherish all the wonderful times we spent with her and she will always have a special place in our hearts. May you RIP 🙏 Love from your dear friends Al and Judy ❤️
