“ No one would argue that Kathy was a natural beauty but if you were lucky enough to know her you would discover so much more. Kathy was truly sweet and caring. She loved to please and never had a negative word to say. She loved life and cherished her family and friends.

*I have so many memories of her from high school - slumber parties, TP ing, ghost hunting, Myer's Mansion, sneaking out to visit with her aunt, shopping, the beach, rafting down the river, sneaking into the drive in or just riding around. We may have lost contact over the years but I hope she would still call me friend.*

*Bridgette and Victoria and family,*

*I know the pain is unbearable and I am so sorry that you lost your mom. I can tell from the pictures that you were her life's purpose.*

*You filled her life with happiness.. She was so proud of her daughters and her grandchildren. I can only imagine what a wonderful mom and grandmother she was. Cherish that and hold it close. You have large shoes to fill. She'll continue to help you navigate life through memories.*

*Sharon, Karen and Trudy,*

*I am so glad that you continued to share your lives with her. YOU were the lucky ones. Take solice in knowing that you made sure she laughed and was never alone as she went through life. She loved you like sisters. I have five years of memories - you share a lifetime. A sweet life lost but she left such an impression on everyone she met. Rest in peace my friend.*
