KEITH LEWIS MORRIS

February 4, 2022, Foley, Alabama, Age 62

Born the 30th Day of November 1959 at Greenlawn Hospital in Atmore, Alabama, Keith Morris leaves a legacy deep with purpose and rich in friends. As the second son of his parents, Dual (Spud) Morris and Shyrlene Lewis Morris, Keith was given the middle name "Lewis" in tribute to his Grandfather Buddy Lewis who had passed four years prior. As it happened, Keith is the last one to carry the Lewis name as the family name ended with his Granddaddy Buddy. Keith is survived by his three daughters, Madison Morris, Morgan Morris, and McKenzie Morris. His love and commitment to them was limitless and unrelenting. Keith was married to Sandra Zywicki of Foley and although the marriage ended, they maintained a close working relationship in parenting and business. He left behind one older brother, Paul Morris of Daphne. Keith attended Robertsdale School and graduated in 1978 before beginning a career as a UPS driver and later entered into UPS Management where he excelled. Later, he changed careers and went into real estate and property management. Keith loved Auburn football, all animals, especially a Golden Retriever named "Buddy" and cats, Jimmy Buffet and the Allman Brothers Band, but most of all, he loved his girls. He was loved in the community and will be missed by many. He enjoyed sailing, surfing, and anything related to relaxing by the beach. His final home was on the water

which is where he always wanted to be. In the words of Mr. Buffett, "he was a bit of pirate, 200 years too late." Sail on Keith, the wind is behind your sail now and if I had to bet, Buddy is on the bow.

In lieu of flowers, please make a donation to St. Judes Hospital or any local animal shelter or clinic in Keith's name.

“ *He was my only brother. I knew him all of his life from the day he was born. He was a great guy and a loving father. It somehow seems odd that he left before me, but he held up under more pain and pressure than most people could handle. I will always remember him as a strong, determined and focused man. Every day, I think of him and the 62 years he was in my life. I miss him greatly. -Paul Morris*

“ *Keith was one of the kindest people I've known. I had the pleasure of knowing Keith and Buddy. He left this world too soon. RIP Keith.*

“ *I worked with Keith at UPS in Ioxley Alabama. I always thought he was just an outstanding young man I don't know he will be greatly missed by his family and all people that loved him. I'm so sad to hear this news.*
