“ When Lolly and I moved here in 1992 one of the first person we met was Larry.
He informed me that I could not claim I was a resident until I had lived here 15 years. On the 15th year and one day I knocked on his door and claimed my residency.
He and Carolyn were always there for us.
Sincerely
Bob and Lolly Turner

“ Ohmygosh, Carolyn, so sorry to see this just this morning. When the "cousins" would get together for whatever, whenever, you can bet there was a competition of story telling. At the last Underwood reunion I was so proud of the sons of the cousins including your sons who got up and told "stories" about the family, the gene carried on. Memories cannot be taken from us. May your many memories be comfort to you and your family in days ahead... We love to laugh ... it is a healing power from God.
