Carla, These are beautiful memories of your nephew. In my heart and mind I know, as in the song, he was "In the arms of angels" and floated away with them to heaven.

How fortunate this young man was to have a wonderful and loving family by his side. My condolences to you and your family.

“ Much love to Loren's family and know that I will continue to pray for you all and that you may find God's peace and understanding. I am honored to have had a small part in Loren's life as his third grade teacher at Foley Elementary! It seems like yesterday that his precious, little blonde self was sitting in his desk in my classroom! Loren had such a big heart and kind spirit. His smile would light up any room! Loren was in my first class that I taught at FES and if memory serves me correctly it was the last year he walked without assistance. I will never forget the determination and perseverance that Loren had, I will see you again buddy. Keep smiling!

“ *A young man with a heart of gold, a smile that would lift the darkest cloud, a laugh that you couldn't help but love. All of that was and always will be Loren Somerset to me! Once my former student, I had the ultimate pleasure of being his aide in high school and those years I will cherish throughout eternity when I get to see him again. Ashley, Jeff and kids, Aunt Sissy and Pawpaw..... you are loved beyond words. May the thought of his pain free heavenly life light your path until you can all be reunited again in eternal paradise! Love you all to the moon and back!
Much love,
