“ *To the family we are so sorry we did not know of Loretta's death. We have just heard about it. Loretta was one of the most kind people we have ever known. We have known her for many many years. We loved her and your Dad very much. They were both always so kind and generous. We are thinking of all of you at this difficult time.*

“ *I love you, Grandma! I'm happy you're dancing in the streets of gold! Thank you for teaching me how to play solitaire & never taking it easy on me. Also teaching me how to shuffle (the bridge & all). And I hope you know...all dogs go to heaven! All those times I'd get upset because you'd spray the wondering dogs with the water hose. "Grandma those are my friends". Now you have to live with them :D I'll see you again someday!*
